As the instant application is on consent, the Court will grant the request for an adjournment. The Court will not, however, continue to grant adjournments indefinitely, and has previously warned Plaintiff about the obligation to prosecute her case and that failure to do so can result in dismissal of the case. The court will adjourn the case management conference, which will be held telephonically, for approximately 60 days. A separate order will issue with the specific date and time and information for calling into the Court.

SO ORDERED:

8/8/2024

HON. ROBERT W. LEHRBURGER
UNITED STATES MAGISTRATE JUDGE
